President's Letter, December 2022

Greetings WALL Members,

We are half way through this academic year with only one final class session on Wednesday, December 7th. That is the final session of The History of Selected Topics in Classical and Modern Physics which will be held in Taylor amphitheater from 1:30 – 2:30 pm.

If you have not yet registered for classes for next semester, I urge you to do so. The Quilling II class and both sections of Great Decisions 2023 have limits on class members.

Finally, the Holiday Party will be held on Tuesday, December 6th beginning at 4 pm in Burden Parlor, located in the Olive Swann Porter building, which houses the bookstore and dining rooms. Attending members will have the opportunity to vote on a proposed increase in the amount of the two WALL need-based scholarships from the current amount of \$1,000 to \$1,500. In addition, "The Wesleyannes" will entertain us with appropriate holiday songs.
