### WALL Reaches Record Membership!

Dear Members,

An extensive article about WALL in the December 15, 2016 issue of the Macon Telegraph resulted in an increase in membership. Seventeen new students joined us after the article appeared. The increase helped WALL reach a record high 132 members. We invite all of you to be an ambassador for WALL by inviting

a family member or other friend to attend one session of a any class which does not have a member limit. One example this month is the new course ***Psychology of the Legal System***, which meets on Wednesdays in February from 1:15 – 2:15 PM in Taylor Amphitheatre. Please contact Hannah Doan if you are interested in bringing a guest to class.

As we look forward to the future, we want to ensure that WALL continues to be a mainstay in Middle Georgia. By volunteering to serve, WALL can be assured of continuing to be a vital part in providing educational and social opportunities for mature learners here in Macon and Central Georgia.

If you are interested in volunteering to serve on committees, suggesting ideas for new classes, etc., please contact me at [stharpe69@gmail.com](mailto:stharpe69@gmail.com) or Vince Coughlin at [vince.coughlin@cox.net](mailto:vince.coughlin@cox.net)

See you on campus,,  
Sandy Tharpe  
WALL President

### MORE FOR YOU

Your membership to WALL now allows you access to the newly renovated Willett Library.

The three-story Georgian brick building was constructed in 1968 and dedicated to the memory of Lucy Lester Willet, class of 1881. The main entrance is on the second floor of the library, which houses the reference collection, periodicals, popular DVDs, and computers to access the library catalogue and electronic databases.

The first and third floors contain the collection of circulating materials, classrooms and study rooms, and the Media Room.
