

Greetings Fellow WALL Members,

This has been a challenging yet interesting year. The Corona virus forced a majority of classes to be offered on zoom only with several being presented both live and on zoom. The Fall classes will be back in the classroom and three will also be available on zoom. Social distancing has been reduced to 3 feet; however, masks will still be required. If you have not yet registered for classes, I urge you to do so without delay. Because of the social distancing requirement many classes will be held in the Benson room of the Candler Alumnae center which has a capacity of 40.

Parking decals will not be required; however, you must park in lined parking spaces and parking on the grass behind the Corn apartments is no longer permitted.

Information about classes, including class locations will be in the September issue of The WALL.

WALL President
